

Rosie

John Mayer

Rosie

Come down and get the door for me
I'm drunk again, remember when we used to be?

Rosie

I know you said no more for me
But that was all before this dream that just came to me

Don't leave me here

Under the January rain
Come let me in
Take my heart by the hand
And lead me back to your room
And sing me your tune

Rosie

You don't have to hide his things
I'm fine with all the sorrow that tomorrow brings
Whoa-oh-oh, Rosie
Don't you know my love is true
'Perdon' and 'lo siento', see, I learned those words for you

Don't leave me here

Under the January rain
Come let me in
Take my heart by the hand
And lead me back to your room
And sing me your tune

Don't leave me here

Under the January rain
Come let me in
Take my heart by the hand
And lead me back to your room
And sing me your tune
