It's not a silly little moment
It's not the storm before the calm
This is the deep and dying breath of
This love that we've been working on

Can't seem to hold you like I want to So I can feel you in my arms Nobody's gonna come and save you We pulled too many false alarms

We're going down
And you can see it too
We're going down
And you know that we're doomed
My dear, we're slow dancing in a burning room

I was the one you always dreamed of You were the one I tried to draw How dare you say it's nothing to me? Baby, you're the only light I ever saw

I'll make the most of all the sadness You'll be a bitch because you can You try to hit me just to hurt me So you leave me feeling dirty 'Coz you can't understand

We're going down
And you can see it too
We're going down
And you know that we're doomed
My dear, we're slow dancing in a burning room

Go cry about it, why don't you?
Go cry about it, why don't you?
Go cry about it, why don't you?
My dear, we're slow dancing in a burning room

Burning room, burning room
Burning room, burning room

Don't you think we oughta know by now?

Don't you think we should learned somehow?

Don't you think we oughta know by now?

Don't you think we should learned somehow?

Don't you think we oughta know by now?

Don't you think we should learned somehow?
