

# Stop This Train

John Mayer

No I'm not color blind  
I know the world is black and white  
Try to keep an open mind but...  
I just can't sleep on this tonight  
Stop this train I want to get off and go home again  
I can't take the speed it's moving in  
I know I can't  
But honestly won't someone stop this train

Don't know how else to say it, don't want to see my parents go  
One generation's length away  
From fighting life out on my own

Stop this train  
I want to get off and go home again  
I can't take the speed it's moving in  
I know I can't but honestly won't someone stop this train

So scared of getting older  
I'm only good at being young  
So I play the numbers game to find a way to say that life has j  
ust begun  
Had a talk with my old man  
Said help me understand  
He said turn 68, you'll renegotiate  
Don't stop this train  
Don't for a minute change the place you're in  
Don't think I couldn't ever understand  
I tried my hand  
John, honestly we'll never stop this train

Once in a while when it's good  
It'll feel like it should  
And they're all still around  
And you're still safe and sound  
And you don't miss a thing  
'til you cry when you're driving away in the dark.

Singing stop this train I want to get off and go home again  
I can't take this speed it's moving in  
I know I can't  
Cause now I see I'll never stop this train

(think I got 'em now)
