John Mayer

Don't know why Tori came by  
But I could see by the look in her eyes  
Tori'd been driving round the town for awhile  
Playing with the thought of leaving

Don't know why Tori just smiled  
Mentioned something about how you were right  
Must have been hard to see through the tears she was hiding  
She said, I might not be seeing him soon,  
Got a few things I've been waiting to do.

Hey, Tori came by  
Tori came by tonight  
Hey, Tori came by  
She says to say goodbye

Looked outside at the car in the drive  
And the suitcase on the back seat inside  
She had it so she can't look out behind at the road  
She said, I might not be seeing him soon,  
Got a few things I've been waiting to do.

Hey, Tori came by  
Tori came by tonight  
Hey, Tori came by  
She says to say goodbye

Don't look down  
She seemed all right  
You might be asking, Where is Tori tonight?  
Somewhere out on the highway  
I'm sure that she's fine
