

# War of My Life

John Mayer

Come out Angels  
Come out Ghosts  
Come out Darkness  
Bring everyone you know

I'm not running  
I'm not scared  
I am waiting and well prepared

I'm in the war of my life  
At the door of my life  
Out of Time and there's no where to run

I've got a hammer  
And a heart of glass  
I got to know right now  
Which walls to smash

I got a pocket  
Got no pill  
If fear hasn't killed me yet  
Then nothing will

All the suffering  
And all the pain  
Never left a name

I'm in the war of my life  
At the door of my life  
Out of time and there's nowhere to run

I'm in the war of my life  
At the core of my life  
I've got no choice but to fight 'til it's done

No more suffering  
No more pain  
Never again

I'm in the war of my life  
At the door of my life  
Out of time and there's no where to run

I'm in the war of my life  
I'm at the core of my life  
Got no choice but to fight 'til it's done  
So Fight on, fight on everyone, so fight on  
Got no choice but to fight 'til it's done

I'm in the war of my life  
I'm at the core of my life  
I've got no choice but to fight 'til it's done
