

# Whiskey, Whiskey, Whiskey

John Mayer

Well we pick up in New York City  
I'm trying to find the man I never got to be  
But when I pushed down on the pavement  
I found the whole thing so much harder than it seemed

The only deal I ever signed  
No devil drew a dotted line  
The stage was set, the words were mine  
I'm not complaining

Whiskey, whiskey, whiskey  
Water, water, water, sleep  
Whiskey, whiskey, whiskey  
Wake up, shake it off and repeat

It's just a phase  
It's not forever  
It's just a phase  
And I still might have a ways to go

Every night around this town  
My friends and I we treat it like a race  
But when I really start to break it down  
I wouldn't trust a girl who knew about this place

Walking home with no one left  
Speak softly underneath my breath  
Hey world, you ain't seen nothing yet  
Great, now it's raining

Whiskey, whiskey, whiskey  
Water, water, water, sleep  
Whiskey, whiskey, whiskey  
Wake up, shake it off and repeat

It's just a phase  
It's not forever  
It's just a phase  
But I still might have a ways

Whiskey, whiskey, whiskey  
Water, water, water, sleep  
Dream somebody missed me  
Wake up, shake it off and repeat and repeat  
And repeat after me

Whiskey, whiskey, whiskey  
Water, water, water, sleep  
Whiskey, whiskey, whiskey  
Cut me off and pour me in the street

Whiskey, whiskey, whiskey  
Water, water, water, sleep
