Who You Love

John Mayer

You love, who you love Who you love You love, who you love Who you love

My girl, she ain't the one that I saw coming And sometimes I don't know which way to go And I tried to run before But I'm not running anymore Cause I've fought against it hard enough to know

That you love, who you love Who you love You love, who you love Who you love You love, who you love Who you love

Oh, you can't make yourself stop dreaming Who you're dreaming of If it's who you love Then it's who you love

My boy, he ain't the one that I saw coming And some have said his heart's too hot to hold And it takes a little time But you should see him when he shines Cause you never wanna let that feeling go

When you love, who you love Who you love You love, who you love Who you love Yeah, you love, who you love Who you love

Oh, you can't make yourself stop dreaming Who you're dreaming of If it's who you love Then it's who you love

Oh, you love, who you love Who you love You love, who you love Who you love You love, who you love Who you love

Oh, you can't make yourself stop dreaming Who you're dreaming of If it's who you love Then it's who you love

It's who you love Who you love Who you love Who you love You're the one I love
