

# You're No One 'Til Someone Lets You Down

John Mayer

No, I've not seen you this way before  
Standin' a mess at my door  
Well, it took you so long  
But you finally found  
You're no one 'til someone lets you down

You believed that all people were kind  
And that you'd never mess with your mind  
You gave her your trust  
And she busted your crown  
You're no one 'til someone lets you down

Yes, I've been told  
That some people grow old  
Without losing a part of their soul  
But if that is true  
I don't wish it on you  
There's so much to adore in a heart that is blue

There's a light in your eyes that is pure  
That you won't give away anymore  
But just think of the things  
We can talk about now  
You're no one 'til someone lets you down

Yes, I have heard  
There are some who avoid  
All the pain that will come with the fall  
But if that's the case  
It would surely erase  
All the joy that you feel  
When the hurt fades away

There's a heart ticket train on the way  
Waitin' to take you away  
Will you please keep in mind  
When it pulls into town  
You're no one 'til someone lets you down  
You're no one 'til someone lets you down  
You're no one 'til someone lets you down
