

# Jackamo Road

John Mellencamp

I'd like to buy you a cabin cruiser  
And we could sail around with our time  
I'd like to get you, a southern mansion  
And we could burn it down, down to the ground

But I'm movin on down  
To Jackamo Road  
On my way thru Georgia  
And all the points unknown  
Yeah, I'm going to heaven  
I'll come back to get you  
Someday Someday Someday
