## Let It All Hang Out

## John Mellencamp

No parking by the sewer sign Hot dog my razor broke Water dripping up the spout But hey I don't care - let it all hang out

Hanging from a pine tree by my knees Sunshine through the shade Nobody knows what it's all about It's too much man - let it all hang out

Saw a man walking upside down My TV's on the blink Make Galileo look like a boy scout Sorry about that - let it all hang out

Sleep all day, drive all night Brain my numb can't stop now For sure ain't no doubt Keep an open mind - let it all hang out

It's raining inside a big brown moon How does that mess your baby up leg Eating a Reuben sandwich with sauerkraut Don't stop now honey woman - let it all hang out

Man in the straw house Sure don't know what he's talkin' about Don't leave me standing On the front porch baby Makes me feel like I'm selling something Ask me in - let it all hang out
