

Lonely Ol' Night

John Mellencamp

She calls me up
And says baby it's a lonely ol' night
I don't know
I'm just so scared and lonely all at the same time
Nobody told us
It was gonna work out this way no no no no no no
I guess they knew
We'd work it out in our own way

It's a lonely ol' night
Can I put my arms around you?
It's a lonely ol nigh
Custom made for two lonely people like me and you

Radio playin' softly
Some singer's sad sad song
He's singing about
Standing in the shadows of love
I guess it feels awfully alone
She says I know exactly what he means
Yeah yeah yeah yeah yeah
And it's a sad sad sad sad feeling
When you're living on those in between
(But it's ok)

It's a lonely ol' night
Can I put my arms around you?
It's a lonely ol nigh
Custom made for two lonely people like me and you

She calls me baby
She calls everybody baby
It's a lonely ol' night
But ain't they all?

It's a lonely ol' night
Can I put my arms around you?
It's a lonely ol nigh
Custom made for two lonely people like me and you

Girl like me and you
Yeah like me and you
