## Lonely Ol' Night

John Mellencamp

She calls me up And says baby it's a lonely ol' night I don't know I'm just so scared and lonely all at the same time Nobody told us It was gonna work out this way no no no no no no I guess they knew We'd work it out in our own way

It's a lonely ol' night
Can I put my arms around you?
It's a lonely ol nigh
Custom made for two lonely people like me and you

Radio playin' softly Some singer's sad sad song He's singing about Standing in the shadows of love I guess it feels awfully alone She says I know exactly what he means Yeah yeah yeah yeah yeah And it's a sad sad sad sad feeling When you're living on those in betweens (But it's ok)

It's a lonely ol' night
Can I put my arms around you?
It's a lonely ol nigh
Custom made for two lonely people like me and you

She calls me baby She calls everybody baby It's a lonely ol' night But ain't they all?

It's a lonely ol' night
Can I put my arms around you?
It's a lonely ol nigh
Custom made for two lonely people like me and you

Girl like me and you Yeah like me and you
