Make Me Feel

John Mellencamp

This ain't no make believe
I ain't foolin around this time
You can believe what you want to believe
It's a sin the way we've wasted our time

Make me feel like I wanna feel
Baby tear this pain from my heart
Make me feel like I wanna feel
Make me feel like I did in the start

Maybe it's a change of plan

Now that your dreams have left me behind

Or is it another man

Who didn't care that you were mine

Baby this could be our last chance Now you're actin like it's no big deal Make me feel like I wanna feel Make me feel like I did in the start

I can hear, I can hear, I can hear
The radio playin' your favorite song
I don't care, I don't care, I don't care
I know that something had to go wrong

Baby don't you walk away Stay here and listen to my plans You can leave, make it another day Stay tonight and hold me in your hands
