

Small Paradise

John Mellencamp

Two veteran lovers french kiss in the doorway
Their ears are cold but their hearts are so warm
A country band playin' down the street just a little ways
They're whiskey wild, they keep it up until dawn

Small Paradise
I glad to see everything's alright with you
Alright then hold me tight - kiss me
Small Paradise

A neon sign blinks outside in the pouring rain
It's ladies night free drinks until 10
Some people walk on by, hey girl don't
I know you, won't you come on in
Well it ain't love but it ain't bad

Small Paradise
I glad to see everything's alright with you
Alright then hold me tight - kiss me
Small Paradise

Small Paradise
I glad to see everything's alright with you
Alright then hold me tight - kiss me
