

Fly On

John Michael Montgomery

You found your wings
Then you flew away from me
Winds whisper your name
Through the skies of my memory

Fly on, fly on sweet angel
Fly on and I will set you free
Fly on (fly on), fly on sweet angel
Oh and then you may fly back to me
Fly on

It wasn't me that held you down
Just the voices in your soul
Now that you are freedom bound
I have no choice but to let you go

So fly on, fly on sweet angel
Fly on and I will set you free
Fly on, fly on sweet angel
Oh and then you may fly back to me
Fly on

Fly on, fly on sweet angel
Fly on and I will set you free
Fly on, fly on sweet angel
Oh and then you may fly back to me
Fly on, fly on sweet angel
Fly on and then you may fly back to me
So fly on
