

Got You to Thank for That

John Michael Montgomery

I'm startin' to notice things in my life.
Seein' it all in a different light.
An' I've opened my eyes.
I'm learnin' to gaze up at the stars...
See 'em for more than what they are.
And I think I know why.
The change in me is plain to see.
And I know that I've got you to thank for...

Makin' this world of mine slow down.
Puttin' my feet back on the ground.
Showin' me what life's all about.
I got you to thank for that.
'Bout takin' the time to talk.
Slowin' my run down to a walk.
And I'm happy where I'm at.
I got you to thank for that.

I get a little more sleep at night these days,
Left behind my restless ways,
And it's easy 'cause you're with me.
I'm takin' in stride what I can't change,
Findin' some good in everything.
And it calms me, it soothes me,
To know that I can be this way.
Without a doubt, I got you to thank for.....

Makin' this world of mine slow down.
Puttin' my feet back on the ground.
Showin' me what life's all about.
I got you to thank for that.
'Bout takin' the time to talk.
Slowin' my run down to a walk.
And I'm happy where I'm at.
I got you to thank for that.

I feel this change in me and it's plain to see,
Baby, I know I've got you to thank for.....

Makin' this world of mine slow down.
Puttin' my feet back on the ground.
Showin' me what life's all about.
I got you to thank for that.
'Bout takin' the time to talk.
Slowin' my run down to a walk.
And I'm happy where I'm at.
I got you to thank for that.

Makin' this world of mine slow down.
Puttin' my feet back on the ground.
Showin' me what life's all about.
I got you to thank for that.
'Bout takin' the time to talk.
Slowin' my run down to a walk.
And I'm happy where I'm at.
I got you to thank for that.

I got you to thank for that.
