## I Don't Want This Song to End

## **John Michael Montgomery**

Well I don't wanna hear last call
And I don't wanna look at the clock on the wall
Let's lose track of time while we're dancing this close
And I don't really care if no one's around
We can just stay right here until the moon goes down
If it were left up to me, I would never let go

But if this is a dream then I don't wanna wake up And see the sun shine again
As long as you're in my arms
I don't want this song to end

Let me look in your eyes and count the stars

Let me hold you tight next to my heart

And I'll whisper I love you for the rest of my life

Let's make believe the music plays

For just you and me could make the world go away

In perfect time you will always be mine

But if this is a dream then I don't wanna wake up And see the sun shine again
As long as you're in my arms
I don't want this song to end

Yeah if this is a dream then I don't wanna wake up And see the sun shining in As long as you're in my arms I don't want this song to end Now if you're in my arms I don't want this song to end
