

Let's Get Lost

John Michael Montgomery

Baby you got my attention
Even in this crowded room
They can talk but I ain't listening
'Cause my eyes are on you watching your move
It's like it's just you and me

Let's get lost
Come undone
Let's lay a blanket down
Watch the sun come up
Let me feel your body on mine
We'll leave this crazy world behind
Let's get lost

All night I've been wishing
We could just take off and drive
No plans no directions
Just you and I
Trying to find
Our own little piece of heaven

Let's get lost
Come undone
Let's lay a blanket down
Watch the sun come up
Let me feel your body on mine
We'll leave this crazy world behind
Let's get lost

Let's get lost
Come undone
Let's lay a blanket down
Watch the sun come up
Let me feel your body on mine
We'll leave this crazy world behind
Let's get lost
Let's get lost
