

Love Made Me Do It

John Michael Montgomery

Alarm clock rang about a quarter to eight
Before I even got up, I was runnin' late
Crashed through the door 'bout a half past ten
Boss man a waitin' when I walked in

I said, love made me do it
Love made me do it
Can't get enough of that woman of mine
The boss said, I blew it but love made me do it

The boys were going fishin' on the Cherokee river
Said, I'd meet 'em there but I couldn't deliver
She was drownin' me in a river of love
We were in deep till the sun came up

I said, love made me do it
Love made me do it
Can't get enough of that woman of mine
The boys said, I blew it but love made me do it

No, I don't feel bad 'cause I'm not to blame
I've got a heart for her that can't be tamed
A one track mind on a run away rail
I can't help it, I'm under her spell

Love made me do it
(Love made me do it)
I said, love made me do it
(Love made me do it)
Can't get enough of that woman of mine
They all said, I blew it but love made me do it
(Love made me do it)

I said, love made me do it
(Love made me do it)
Can't get enough of that woman of mine
They all said, I blew it but love made me do it
Love made me do it
Oh sweet love, love, sweet love

It happens to me every time
