

# Cheating

John Newman

I saw you Sunday, Monday  
Hanging with your man again  
You came back on a Tuesday  
With that cold-heart look of shame

Oh I could love you better  
Better than you once knew  
And if you're cheating, cheat on, yeah  
'Cause cheating's just a thing you do  
It's just a thing you do

I saw you Friday, Saturday  
Tearing up another heart  
You came home a' crying  
Why'd you take it all so hard?

You know I love you better  
Better than you once knew  
And if you're cheating, cheat on, yeah  
But I would never cheat on you

Yeah, I could love you better  
Better than you once knew  
And if you're cheating, cheat on, yeah  
'Cause cheating's just the thing you do  
It's just a thing you do, yeah

Ohhh  
I've been told you baby  
Girl you done some things so bad to me  
And I know

[X2]  
You are the one that's creeping,  
You are the one that's cheating,  
But if your heart is beating,  
Bring it on, bring it to me.

[X2]  
You are the one that's creeping  
You are the one that's cheating  
But if your heart is beating  
Bring it on, bring it to me.

I could love you better  
Better than you once knew  
And if you're cheating, cheat on, yeah  
But I would never cheat on you, no.

I could love you better  
Better than you once knew  
And if you're cheating, cheat on, yeah  
'Cause cheating's just a thing you do, oh no no no
