

I'm Not Your Man

John Newman

Three years ago when you first met me
I was just a boy that found it hard to speak
I couldn't find the words, I had to watch you leave

Now you're coming home to me every night
I talk you through your bad days, I ease your mind
I don't want no other woman by my side

Oh no no no, cause lately
We've been getting so close
Oh baby, we could grow old old old

I'm not your man
I'm not your man
I'm not your man
Oh I'm not your man

Every time I call, you say you have no plans
Another night together, another night that won't end
There seems to be your body, can I leave my hands

Oh baby, we're even getting so close, so close maybe
Oh lately, yeah yeah yeah, we could grow old old old

I'm not your man
I'm not your man
I'm not your man
I'm not your man

Nooo, don't let the dreams out
Let them move, the stream down y'all
I know the truth
Sometimes gotta break (move)
Your dreams are not alone
Come home, come home ever again yeah

I'm not your man
I'm not your man
I'm not your man
Will I ever be your man
Baby, baby
I'm not your man
