

# Running

John Newman

100 years, 2000 miles  
To you I'd run through day and night  
We've got to finish what we started  
We've got a lot to rescue darling

My shirt is torn, the shoes are worn  
My birth's been drawn but still I'm strong  
I feel like I'm a force of nature  
But guess who made you my creator

Tryin stop a river when it wants to rise  
Tryin to stop a blaze off a burning fire  
I'm a hurricane, it ain't stopping  
No no no

And I keep... keep running  
I keep... keep running  
I keep... keep coming back for more, no no  
Keep running  
I keep... keep running  
I keep... keep coming back for more, no

I've got to tell you know I've crossed the time  
I've crossed through time  
And giving up never crossed my mind  
I feel like I'm a force of nature  
But guess who made you my creator

Tryin stop a river when it wants to rise  
Tryin to stop a blaze off a burning fire  
I'm a hurricane, it ain't stopping  
No no no

And I keep... keep running  
I keep... keep running  
I keep... keep coming back for more, no no  
Keep running  
I keep... keep running  
I keep... keep coming back for more, no  
Yea I keep...

Tryin stop a river when it wants to rise  
Tryin to stop a blaze off a burning fire  
I'm a hurricane, it ain't stopping  
No no no

And I keep... keep running  
I keep... keep running  
I keep... keep coming  
Keep running  
I keep... keep running  
I keep... keep coming

And I keep... keep running  
I keep... keep running  
I keep... keep coming back for more, no no  
Keep running

I keep... keep running

I keep... keep coming back for more, no
