

We All Get Lonely

John Newman

I've been waiting for you, to just to turn your eyes
I'll be yours
I got this feeling alright, I got this feeling alright
When you don't go ..
My heart ..
I got this feeling alright, I got this feeling alright

We all get lonely, lonely, lonely
Lonely sometimes
Lonely, lonely, lonely
Yeah, that's what we do
We all get lonely, lonely, lonely
Lonely sometimes
Lonely, lonely, lonely
Yeah, that's what we do
