Oh how wondrous is the name of the Lord how we worship His name is to be adored God our maker endured pain guilt and strife so that we might access our eternal life

## [repeat]

We offer sincere praise we stand and bless your holy name your blood has loosed all the chains all men shall proclaim there's power in your name

How we love you your name is so sweet your joy is complete we love you we reverence your face in this holy place

Jehovah Jireh
He who provides for us all
my strong tower
Who hears and moves when we call
Elohim he created us from the dust
Jehovah Shammah
the Lord is present with us

We offer sincere praise we stand and bless your holy name your blood has loosed all the chains all men shall proclaim there's power in your name

We offer sincere praise we stand and bless your holy name your blood has loosed all the chains all men shall proclaim there's power in your name

How we love you your name is so sweet your joy is complete we love you we reverence your face in this holy place

[repeat x2]

Oh how wondrous is the name of the Lord

[repeat x14]
