

We Glorify

John P. Kee

We glorify and magnify Your name
For Your goodness and mercy continues to rain
You're wonderful so let the praises ring
Sing Hallelujah, oh Hallelujah
Sing Hallelujah to our matchless King

We glorify and magnify Your name
For Your goodness and mercy continues to rain
You're wonderful so let the praises ring
Sing Hallelujah, oh Hallelujah
Sing Hallelujah to our matchless King

We worship and profess You as our King
And tell all the nations You are everything
You are everything, everything
Hallelujah, oh Hallelujah
Sing Hallelujah to our matchless King

We worship and profess You as our King
And tell all the nations You are everything
You are everything, everything
Hallelujah, oh Hallelujah
Sing Hallelujah to our matchless King
