

Sarah

John Parr

Monochrome rainbows disappear, may be the sun isn't here
How could you leave me standing here, waiting so long
I want your love, I need your love, 'cause you're here in my heart

Sarah don't you give up on love, Sarah don't you give up on me
Never surrender, just believe in us, oh Sarah my love
Can't seem to get you off my mind, has it been all wasted time
Was lovin' you another crime, that I'm guilty of
I want your love, I need your love, 'cause you're here in my heart

Sarah don't you give up on love, Sarah don't you give up on me
Always remember that I'll be right here on your side
Oh Sarah I need your love, yeah I do, hey!

Don't ever think that you can lose, together we'll win through
Oh Sarah I need your love, yeah I do
Sarah don't you give up on love, don't give up on love
Sarah don't you give up on me
Sarah don't give up on love, don't give up on me
Sarah, Sarah Sarah Sarah Sarah Sarah Sarah, I love you girl, yes I do
Sarah...
