

# Candy

John Pizzarelli

Candy, I call my sugar Candy  
Because I'm sweet on Candy  
And Candy's sweet on me

She understands me  
My understanding Candy  
Candy's always handy  
When I need sympathy

Well, I wish that there were four of her  
So I could love much more of her  
She has taken my complete heart  
I've got a sweet tooth for my sweetheart  
Candy, it's gonna be just dandy  
The day I take my Candy  
And make him/her mine, all mine
