

# Everything I Have Is Yours

John Pizzarelli

Everything I have is yours  
You're part of me  
Everything I have is yours  
My destiny

I would gladly give the sun to you  
If the sun were only mine  
I would gladly give the earth to you  
And the stars that shine

Everything that I possess  
I offer you

Make my dream of happiness come true  
I'd be happy just to spend my life  
Waiting at your beck and call

Everything I have is yours  
My life, my all

I'd be happy just to spend my life  
Waiting at your beck and call

Everything I have is yours  
My life, my all
