

## Burn It Down

John Reuben

burn it down build it back/it's bound to crash/stand back watch  
it collapse/let's start from scratch/my big  
brother's hip with a pager/package of razors/shaved my face war  
m water dull blade/peach fuzz black  
becoming of age/formed an opinion joined in the conversation/th  
ink on your own why you still got the  
motivation/smell it on our breath/young-  
ins want to have fun/package of cinnamon gum/johnny reubonic  
fresh off the tongue/old school hip hop/adidas and tube socks/b  
oom box in the boon docks/harass  
rednecks bump the cops/down by the creek/philosophical potheads  
/just say no just a guess/had the  
opposite effect/we made plans to be genius nomads/put a spare p  
air of boxer shorts in my book  
bag/found God called him friend/my plans changed again/went cra  
zy lost my mind/felt peace in  
desperate times/convinced i'm not confused/followed the truth w  
ithout proof/went looking for  
absolutes/rediscovered a new found youth/package of matches/hap  
py accidents/dancing on ashes in  
the basement when the roof caves in/starting over gaining closu  
re/this is not the end /but the beginning  
of something better/let's pretend/
