

# Another You

John Rich

My god what have I done  
You gave me your heart  
And I broke it up  
Now here I am

All alone and I'm hatin' me  
Cause baby with you I had everything  
Now I'm a nothin' man

Not sure what I do from here  
Or where I'll go  
Baby the only thing I know is

[Chorus]

I'll never find another you  
Someone who moves me like you do  
Someone that knows me inside out  
A love that'll never let me down  
I could search all through this world  
Try to find another like you girl  
But no matter what I do  
I'll never find another you

You put yourself in the palm of my hand  
I was the envy of every man  
And it was beautiful  
What a perfect little life we found  
We built it up and I tore it all down, like a fool  
How will I ever forgive myself  
And how do I live  
Knowing I'll never feel that way again

And

[Chorus]

Maybe someday I'll find a sweet face  
That takes me half the way to where we've been  
Oh and who knows maybe I'll come close  
But comin' close is all I'll ever get  
All I'll ever get

[Chorus]

I'll never find another you  
I'll never find another you
