

I Pray For You

John Rich

Sometimes when I sleep
I can see you walking back to me
And sometimes I wake up
'Cause I swear I felt your touch

Then emotions overcome me
And the darkness is so cold

I light a candle, watch it burn
I feel the angels come and fill this room
When you're gone I miss you so much
I do the only thing I can do
I pray for you, I pray for you

Every minute of the day
I can clearly see your face
And every minute we're apart
You know it just breaks my heart

I'm so lonely, but I'm okay
'Cause I know we'll be together again

I light a candle, watch it burn
I feel the angels come and fill this room
When you're gone I miss you so much
I do the only thing I can do
I pray for you, I pray for you
Oh I pray for you

I light a candle, watch it burn
I feel the angels come and fill this room
When you're gone I miss you so much
I do the only thing I can do
I pray for you, I pray for you
Oh I pray for you

Please hold her and protect her
'Til she's back here in my arms again
Oh and tell her how I love her
And I'll be waiting right here forever, Amen
