

# I Pray For You

John Rich

Sometimes when I sleep  
I can see you walking back to me  
And sometimes I wake up  
'Cause I swear I felt your touch

Then emotions overcome me  
And the darkness is so cold

I light a candle, watch it burn  
I feel the angels come and fill this room  
When you're gone I miss you so much  
I do the only thing I can do  
I pray for you, I pray for you

Every minute of the day  
I can clearly see your face  
And every minute we're apart  
You know it just breaks my heart

I'm so lonely, but I'm okay  
'Cause I know we'll be together again

I light a candle, watch it burn  
I feel the angels come and fill this room  
When you're gone I miss you so much  
I do the only thing I can do  
I pray for you, I pray for you  
Oh I pray for you

I light a candle, watch it burn  
I feel the angels come and fill this room  
When you're gone I miss you so much  
I do the only thing I can do  
I pray for you, I pray for you  
Oh I pray for you

Please hold her and protect her  
'Til she's back here in my arms again  
Oh and tell her how I love her  
And I'll be waiting right here forever, Amen
