## **I Pray For You**

Sometimes when I sleep I can see you walking back to me And sometimes I wake up 'Cause I swear I felt your touch

Then emotions overcome me And the darkness is so cold

I light a candle, watch it burn I feel the angels come and fill this room When you're gone I miss you so much I do the only thing I can do I pray for you, I pray for you

Every minute of the day I can clearly see your face And every minute we're apart You know it just breaks my heart

I'm so lonely, but I'm okay
'Cause I know we'll be together again

I light a candle, watch it burn I feel the angels come and fill this room When you're gone I miss you so much I do the only thing I can do I pray for you, I pray for you Oh I pray for you

I light a candle, watch it burn I feel the angels come and fill this room When you're gone I miss you so much I do the only thing I can do I pray for you, I pray for you Oh I pray for you

Please hold her and protect her 'Til she's back here in my arms again Oh and tell her how I love her And I'll be waiting right here forever, Amen
