It's A Short Walk From Heaven To Hell

John Schneider

You were God's best creation But I didn't know what I had 'Til it was too late When a man's gettin' older

Seems the young girls get bolder And temptations Are sometimes too great You gave me all kinds of reasons to stay

But like the fool that I am I still walked away

And it's a short walk
From heaven to hell
A few steps from an angel
That loved me so well

When I left I shook hands With the devil himself And it's a short walk From heaven to hell

She was young I was foolish But I needed that young thing To tell me

I could still turn her on What I took for affection Was just your reflection And that's where

The whole thing went wrong 'Cause when the lovin' was over and done What I took for love
She took for fun

And it's a short walk
From heaven to hell
A few steps from an angel
That loved me so well

When I left I shook hands With the devil himself And it's a short walk From heaven to hell

Yeah, it's a short walk from heaven to hell
