

# Love, You Ain't Seen The Last Of Me

John Schneider

I been losin' my mind one lover at a time  
Getting up just to be knocked down  
But with all of that pain I come back again  
And I always go one more round  
Women, me, and love we just can't get it right  
Well I may lose the battle but I love the fight

Well love you ain't seen the last of me  
I just keep comin' back to see  
If I can capture the dream  
Love you've done all you can do to me  
I don't give up so easily  
No you ain't seen the last of me

I got a big long list of all the times I missed  
When I zeroed in on love  
And at times it seems  
Like one heartache begins  
Where the last one has just left off  
And tonight it looks like  
Another one is aimed at my heart  
But she's a lookin' at me and  
I'm feelin' that feelin' start

No love you ain't seen the last of me  
I just keep comin' back to see  
If I can capture the dream  
Oh love you've done all you can do to me  
I don't give up so easily  
No you ain't seen the last of me

I said tonight it looks like  
Another one is aimed at my heart  
'Cause she's a lookin' at me and  
I'm feelin' that feelin' start

No love you ain't seen the last of me  
I just keep comin' back to see  
If I can capture the dream  
Yeah love you've done  
All you can do to me  
I don't give up easily  
And no you ain't seen the last of me
