It Had To Be You

John Stevens

It had to be you, it had to be you I wandered around, and finally found, the somebody who Could make me be true, could make me be blue And even be glad, just to be sad thinking of you Some others I've seen, might never be mean Might never be cross, or try to be boss But they wouldn't do For nobody else, gave me a thrill, with all your faults, I love you still It had to be you, wonderful you It had to be you Some others I've seen, might never be mean Might never be cross, or try to be boss They just would not do For nobody else, gave me a thrill, with all your faults, I love you still It had to be you, wonderful you It had to be you For nobody else, gave me a thrill, with all your faults, I love you still It had to be you, wonderful you It had to be you
