

My Blue Heaven

John Stevens

When Whippoorwills call, and evening is nigh
I hurry to my
Blue heaven
You just turn to the right, you find a little white light
That'll lead you to my
Blue heaven

You'll find a smiling face, a fireplace, a cozy room
And a little nest that nestles where the roses bloom

Just Molly and me, and my baby makes three
We're happy in my, blue heaven

You'll find a smiling face, a fireplace, a cozy room
A little nest nestles where the roses bloom

Just Molly and me, and my baby makes three
We're happy in my blue heaven
So happy in my blue heaven
Yeah, we're happy in my blue heaven!
