

# This Love

John Stevens

I was blind I did not recognize yah  
The fire burning in her eyes  
The chaos that controlled my mind  
Whispered goodbye and she got on a plane  
Never to return again  
But always in my heart

This love has taken its toll on me  
She said goodbye too many times before  
Her heart is breaking in front of me  
I have no choice cause I won't say goodbye anymore

I tried my best to feed her appetite  
To keep her happy every night  
So hard to keep her satisfied  
Kept playing love like it was just a game  
Pretending to feel the same  
And turn around and leave again

This love has taken its toll on me  
She said goodbye too many times before  
And her heart is breaking in front of me  
I have no choice cause I won't say goodbye anymore

I'll fix these broken things  
Repair your broken wings  
And make sure everything's alright  
Touching your tender lips  
Moving my fingertips  
Over every inch of you  
Cause I know that's what you want me to do

This love has taken its toll on me  
She said goodbye too many times before  
Her heart is breaking in front of me  
I have no choice cause I won't say goodbye anymore
