

Everything I Need

John Sykes

It's more than just a feeling deep within my soul
Searching for the answer
And my heart's been hurt before
I don't want to lose you
When you're all I really need
I've been waiting all my life
For love to rescue me

I've had my share of losing
On the lonely side of life
Mama left me lonely
Yeah, she left with no good-bye
I don't want to lose you
Cause you're everything to me
I've been waiting all my life
For love to rescue me

You're everything I want
In a woman
You're everything I need
In a woman
You're everything I want
In a woman tonight
All my life

I don't whatever it is
When I'm holding you close
Yeah, it feels so real
Yeah, I'm crazy over you
I'll do what you want me to

Heaven sent you into my life
To take all of the hurt
Make it all alright
As I'm waiting here for you
And that is all I have to do

You're everything I want
In a woman
You're everything I need
In a woman
You're everything I want
In a woman tonight
All my life
Oh tonight
Oh, oh tonight
Oh, I've been waiting, waiting, waiting
All my life
