

Please Don't Leave Me

John Sykes

In the summer we'd be crazy
We'd fool around all the time
Oh how I loved that girl when she was mine
But now she'd left me for another guy
And it really brought me down
For without that girl
I was lost and found

Oh darling please don't hurt me this way
Oh darling please don't leave me
Oh darling please don't hurt me this way
Oh darling please don't leave me

Now I get messed up and I fool around
But there's no fun anymore
They say times must change
But I'm not so sure

Lost lovers of summer
As you go your separate way
Remember memories you owe
Won't bring back those special days

Oh darling please don't hurt me this way
Oh darling please don't leave me
Oh darling please don't hurt me this way
Oh darling please don't leave me
