

# Thank You For The Love

John Sykes

I  
No I've never felt like this before  
You're the key that opens every door  
Lying here with you by my side  
There's nowhere else on Earth I'd rather be

And you  
Yeah, you sheltered me when things went wrong  
You gave me strength and love to carry on  
Lying here with you in my arms  
There's nowhere else on Earth I'd rather be

You lifted me high  
When I was down  
You gave me the wings  
So I could reach my higher ground  
All that I need  
Well, it's right here with you  
And I thank you for the love you've given me

And I believe that long ago  
Before the age of time  
You and I we made a wish  
For love to last forever  
And the Angels came and made our wish come true  
For one lifetime isn't long enough with you  
And the Angels came to make our wish come true

You lifted me high  
When I was down  
You game me the wings  
So I could reach my higher ground  
All that I need  
Well, it's right here with you  
And I thank you for the love you've given me
