

Grease

John Travolta

I saw my problems and I'll see the light
We got a lovin' thing, we gotta feed it right
There ain't no danger we can go too far
We start believin' now that we can be who we are - grease is the word

They think our love is just a growin' pain
Why don't they understand? It's just a cryin' shame
Their lips are lyin', only real is real
We stop the fight right now, we got to be what we feel - grease is the word

(Grease is the word, is the word that you heard)
It's got a groove, it's got a meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling

We take the pressure, and we throw away conventionality, belongs to
yesterday
There is a chance that we can make it so far
We start believin' now that we can be who we are - grease is the word

(Grease is the word, is the word that you heard)
It's got a groove, it's got a meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling

This is a life of illusion, a life of control
Mixed with confusion - what're we doin' here?

We take the pressure, and we throw away conventionality, belongs to
yesterday
There is a chance that we can make it so far
We start believin' now that we can be who we are - grease is the word

(Grease is the word, is the word that you heard)
It's got a groove, it's got a meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling

(Grease is the word, is the word that you heard)
It's got a groove, it's got a meaning
Grease is the time, is the place, is the motion

Grease is the way we are feeling
