

Grease

John Travolta

I saw my problems and I'll see the light
We got a lovin' thing, we gotta feed it right
There ain't no danger we can go too far
We start believin' now that we can be who we are - grease is the
e word

They think our love is just a growin' pain
Why don't they understand? It's just a cryin' shame
Their lips are lyin', only real is real
We stop the fight right now, we got to be what we feel - grease
is the
word

(Grease is the word, is the word that you heard)
It's got a groove, it's got a meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling

We take the pressure, and we throw away conventionality, belong
s to
yesterday
There is a chance that we can make it so far
We start believin' now that we can be who we are - grease is th
e word

(Grease is the word, is the word that you heard)
It's got a groove, it's got a meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling

This is a life of illusion, a life of control
Mixed with confusion - what're we doin' here?

We take the pressure, and we throw away conventionality, belong
s to
yesterday
There is a chance that we can make it so far
We start believin' now that we can be who we are - grease is th
e word

(Grease is the word, is the word that you heard)
It's got a groove, it's got a meaning
Grease is the time, is the place, is the motion
Grease is the way we are feeling

(Grease is the word, is the word that you heard)
It's got a groove, it's got a meaning
Grease is the time, is the place, is the motion

Grease is the way we are feeling
