

# Let Her In

John Travolta

I'm different today, hey-hey  
Somethin' she said has stuck in my head  
And I can't get away

Gonna let her in  
Gonna let her in, um-hmm  
Gonna let her in my life

You know what I find, I find  
A look at her face and there isn't a trace  
Of doubt in my mind

Gonna let her in  
Gonna let her in, um-hmm  
Gonna let her in my life  
Let her in my life

Gonna open up  
After so long  
Gonna open up  
After so long  
With my feet stuck on the ground  
And my head against the wall  
I've been called

And I can't answer why, why-hy  
Somethin' inside and it can't be denied  
And I'm ready to try

Gonna let her in  
Gonna let her in, um-hmm  
Gonna let her in my life

Gonna let her in  
Gonna let her in, um-hmm  
Gonna let her in my life  
Let her in my life

Gonna let her in, woah-woah  
Gonna let her in my life  
Let her in my li-fe

Gonna let her in, woah-woah  
Gonna let her in my life  
Let her in my li-fe
