

# Change

John Waite

People talking  
And they're saying that you're leaving  
So unhappy  
With the way that you've been living  
Oh oh oh  
We always wish for money  
We always wish for fame  
We think we have the answers  
Some things ain't ever gonna change (change)  
It doesn't matter who you are  
It's all the same (change)  
What's in your heart will never change  
Look in the mirror  
And you see how you've been taken  
You won't surrender  
But now your heart is breakin'  
Oh oh oh  
We always wish for money  
We always wish for fame  
We think we have the answers  
Some things ain't ever gonna change (change)  
It doesn't matter who you are  
It's all the same (change)  
What's in your heart will never change  
Do you remember  
When you got your lucky break  
You're looking back now  
And it seems like a mistake  
Oh oh oh  
We always wish for money  
We always wish for fame  
We think we have the answers  
Some things ain't ever gonna change (change)  
It doesn't matter who you are  
It's all the same (change)  
What's in your heart will never change  
It's only change (change)  
It doesn't matter who you are  
It's all the same (change)  
What's in your heart will never change  
It doesn't matter who you are  
It's all the same (change)  
What's in your heart will stay the same  
It doesn't matter who you are  
It's all the same (what's in your heart)  
It's only  
It's only  
It's only change  
Never (it doesn't matter)  
You ain't gonna  
You ain't gonna change (what's in your heart)  
You ain't gonna change  
Doesn't matter who you are
