

Dreamtime/Shake It Up

John Waite

If I fall right out asleep
Deep sea divin' in the dark with those creatures of the deep
Broken skis over silent snow
As the ground comes up to meet me, is it then you'll let me go?
Here we go, to the other side, no one comes back, and but a few
survive

Me I'm heading south, for the border line, she and I, this is it,
1965

Twist and shout, this ain't no luxury cruise, and your eyes are
full of doubt

Chinatown under neon lights, ooh she's coming and she's going in
a cheap hotel

Chorus:

Here we go, to the other side, no one comes back, and but a few
survive

Me I'm headed south, for the border line, she and I, this is it
It's dreamtime

So come on, dreamtime, vision of, oh, guitar

(Solo)

(chorus)

So come on, dreamtime, vision of, dream time to shake it up
Dream time tonight

You might even want to shake it up, come a little closer, twist
and shout

You look so good, come on, coming out

Shake it up, ooh ooh, look so fine, shake it up baby, shake it
up

Shake it up baby, twist and shout, shake it up baby, shake, shake
it up baby

Shake it up baby, work it on out, shake it up, shake it up, shake
it up

Shake it up, ow!

Shake it up, come a little closer, twist and shout

You look so good, come on, you're so fine, ow!
