## **Whenever You Come Around**

John Waite

Face of an Angel, pretty eyes that shine I lie awake at night wishin' you were mine I'm standing here holding the biggest heartache in town Whenever you come around I get a weak in the knees And I lose my breath Oh I try to speak but I can't find the words \*\*\* I'm half scared to death ''cause when you smile that smile My world turns upside down (yeah) Whenever you come around I get so helpless, I feel just like a kid \*\*\* What is it about you that makes me keep these feelings hid I wish I could tell you but the words just can't be found Whenever you come around I get a weak in the knees And I lose my breath Yeah I try to speak but I can't find the words \*\*\* I'm half scared to death Cause when you smile that smile My world turns upside down Whenever you come around Whenever you come around
