## **Poor Heart**

## John Wesley Harding

Poor heart What to do? Dim the light There's no respite For you Poor heart Can you see? Or will you beat A sad retreat for me Poor heart? Poor mouth Poor eyes Poor soul Poor mind Poor start Poor heart Poor heart Look around Who else remains Who can contain Your frown? Poor heart Why so vain? Are you rich enough To play so rough Aqain Poor heart? Poor heart Poor eyes Poor soul Poor mind Poor start Poor heart Poor heart Play your part Nothing's done Til it is sung Poor heart
