

Masquerade

West, John

We get lost in the circus
We get lost in the maze
Baby
We get lost on the surface
We get lost in the waves
Them waves
Baby
Maybe

So what's the deal with the freeze frame
Do we have to just remain the same
Maybe maybe we could change our ways
Maybe we could change
Maybe

Capture the moment
Let the moment be free
It's just you and me
It's just
You and me
Baby
Baby

Play it now

We get lost in convenience
We get lost in the masquerade
Baby
Entertain we say with much impatience
But ticket price we pay
Ain't all we lose along the way
Maybe
Maybe

You can't take no good pictures of me
Past moments are just fixtures you see
We just got this moment to breathe
Just breathe
Baby
Baby

Play it

We get lost in the circus
We get lost in the maze
Baby
We get lost on the surface
We get lost in the waves
Them waves
Baby
Baby
