

Boogie With M' Baby

John Williamson

It was before the dollar - and before the pill
I went to this rock dance - in Swan Hill
I arrived in me E.K. - hair slicked back
And I saw this sheila in tangerine socks - hair pitch black
And she walked right by me

And she said, you wanna boogie with m' baby
You wanna move with m' baby, you wanna groove with m' baby

Well I strolled across the dance floor - loves fool
And I looked her right in the eye - real cool
And I said nuffin'

She said, you wanna boogie with m' baby
You wanna move with m' baby, you wanna groove with m' baby

Doo-do-do-doo-do, do-do-do-do-do-do-do-do-do, do-do-do-do-do
Do-do-do-do-do-do-do-do-do, do-do-do-do-do
Do-do-do-do-doody-doody-do

Well, I didn't let her go, she wasn't real rough
And no-one else came near 'er, 'cause I was too tough

And the band was called Curly
